

Love the Hillsborough Public Library and Looking for a Great Gift Idea for Any Occasion?

A bookplate dedication is a great way to remember or honor a loved one - especially the book lovers in your life. For only \$25 you can dedicate a new library book in their honor! You choose the subject area and we'll choose the book. We will place a special bookplate inside the front cover of the book that lists the name of the donor and/or the name of the person or people being honored or remembered.

Purchasing a bookplate may be tax deductible and will help the Hillsborough Public Library continue to provide a wide array of resources and services to its patrons.
